FINE WINES

---

1985 Chateau Cantemerle 125.00

Clear light red colour with intense leathery aromas on the nose and softer flavours of tobacco, leather, but red fruits beneath. Light bodied and elegant on the palate with gentle red fruited flavours mingled with more leather, graphite, tobacco and earth over fine grained tannins and good acidity.

1982 Ch. Gloria 225.00

Big, warm and ripe. Medium ruby color. Fresh and fruity, with perfume, berry and raspberry aromas. Medium-bodied, with berry, cherry and chocolate flavors, medium tannins and a medium finish.

1982 Dauzac 310.00

Good complexity of classic Bordeaux flavours with blackfruits over earthy, leafy notes. Silky and savoury in the mouth with a peppery finish.

1982 Pontet Canet 450.00

A more lighter bodied claret, offering hints of menthol and red as well as black currants. What it may lack in concentration, it makes up for in the sheer sensuality and suppleness provided by the fabulous vintage.

1986 La Mission Haut Brion 650.00

The wonderful wine possesses dark ruby colour, a spicy, mineral and tobacco-scented bouquet, firm tannins, and is medium to full bodied. There is an expansive, generous feeling of fruit. Plenty of tannin remains, but the mineral, cassis, and tobacco scents of a top La Mission are beginning to emerge.

1978 Cheval Blanc 1100.00

Captivating nose of red berries, minerals and grilled nuts is complicated by a delicate leafiness and a spicy tobacco note. Then sweet, bright and focused in the mouth, with flavors of red berries, tobacco, cedar and underbrush.
